This month the Training Division would like to thank Pam Stone of PGIT for coming to Southern Manatee Fire Rescue to teach a Worker's Comp Awareness class. Also thank you Debbie Tuckerman for assisting with the class. During April the crews continued their visits to the Sarasota Bradenton Airport for the multi-session training. The last scheduled training is in May and will be the night time drill. Next, this month the Training Director taught six classes for all crews to go over the May 6th radio changes. All calls will be dispatched on one group starting May 6th. Lastly, in April the crews start the EMT renewal CEU classes at Manatee Fire Online. This is a site that the School Board is making available to the fire service free of charge. WMFR and SMFR are creating courses for EMT recertification, which will save SMFR over \$5,500.

May's Topics:

**SRQ Session 7, Night Time Drill
