 F/F Eldridge- Ethical & Legal Issues

This month the Training Division would like to thank DeEtt Bailey of Safe Place for coming in and teaching all of the SMFR crews about the Safe Place Program. SMFR has signs on its fire stations as being a Safe Place. Next, thanks goes out to the FTO's for completing the annual apparatus recertification practical, each year a written exam and a practical exam is completed for recertification. Also this month, the Division would like to thank the Sarasota Bradenton Airport Fire Department and Capt. Mark Hoffman for their part in our multi visit trainings. There were over 16 total visits and 6 drills completed at the airport, with the idea of better preparing our personnel for assisting their fire department with incidents. Next, thanks goes out to Lt. Thayer for his creation of an EMT module to be used on Manatee Fire Online. Lastly, this month crews started the annual hose maze. This is where personnel are packed out, and their masked covered, and they navigate 600 feet of hose completing evolutions along the way.
