T/D Crawford- FF1, FF2 and Fire Officer Updates

This month the Training Division would like to thank Chief Gorski for teaching part #1 of the two part BLS Protocol class. Southern Manatee Fire Rescue, and other fire departments, will be operating under new BLS protocols on medical calls. This will allow for improved and more uniform levels of service to the community. Part #2 will be taught in February, and all crews will attend. Next, the first hazmat 160 hour class continues every other week. Lastly, crews continue to work on their EMT modules towards December's recertification process.

February's Training Topics: **Officer's Training**
Hydraulics Exam
BLS Protocols Part #2
Social Media Class
Vehicle Extrication Policy Review
Driver's Training
EMT Modules
Extrication Practical
Group Fitness

Promotions: **F/F Harvill- Firefighter 4th Class**
