This month the BLS protocols instruction taught by Chief Gorski continues for the second half of personnel. In addition, the Chief will be administering the written and practical exam to all EMT's and response personnel during the month of March. Lastly, during the month of February B/C Smith and the Field Training Officers (FTO's) taught an extrication practical training at AA Auto Recycling. The Training Division would like to thank AA Auto Recycling for allowing SMFR personnel to train on their property and for supplying the cars for this training.
