This month the Training Division would again like to thank Chief Gorski for his continued efforts with finalizing the EMT Protocol training of the crews that were unable to attend prior trainings. Also, the Division would like to thank Lt. Thayer for his continued support with the EMT module program. Lt. Thayer and Capt. Sousa of West Manatee Fire & Rescue continue to produce the EMT modules used by crews towards this year's recertification process. Lastly, this month the Division facilitated the scheduling and logistics for Life Scan's visit. Physicals were completed on personnel age 45 and older.

**April's Training Topics:** Hands on Training Drills  
Pumping Operations  
Officer's Training  
Confined Space Policy Review  
EMT Modules  
CPR 2 Year Recertification  
Nutrition Awareness Class

**State Certifications:** F/F Keusch- Instructor I
