

VOLUNTEER REPORT

March 2014

Volunteer Shifts

Name	Day Shifts	Night Shifts	24 hr Shifts	Training Hours
Dowell	1		1	3
Markey		1		3

Volunteer Information

We are currently conducting background checks on the Volunteer applicants and hope to begin the Orientation class following those results. The class consists of OSHA required instruction, a thorough review of our SCBA's, a review of certain Directives, a tour of the fire stations and the dispatch center, and a history presentation of Southern Manatee Fire Rescue.
