Ellis	24	16
Hackley	43	19
Proll	36.25	33.5
Smith-Kerr	51.5	47.5
Velazquez	28	11

Volunteer Information

FF Robby Vidoli has completed his Orientation requirements and will soon be followed by several others who are nearing completion. This process consists of at least 100 combined hours of station and ride time, rider certifications on all apparatus, and the successful completion of a practical, hands-on exam. They are then used to full capacity on all emergency scenes.
