**This month a representative from the Leagues of Cities was brought in to share, with our personnel, their available deferred compensation plan. Next, crews participated in large diameter hose drills at the Southern Manatee station 3 training facility. In addition, group fitness was**

schedule, so the crews could participate in a group training environment during daily fitness training. Next, Crews starting reviewing fire hydraulics, in preparation for the Annual Pump Operator's Exam. Lastly, next month all personnel will be trained by Attorney Mark Fiedelholz, who specializes in social media policies for public safety entities. This is in hopes of minimizing liability to the District by ensuring everyone receives this required documented training. Mark will also be drafting a Social Media policy specific to Southern Manatee Fire & Rescue.
