This month the Training Division handled the logistics of the Annual Life Scan physicals. All personnel complete them this year. Crews continue the review of the new draft directives. Also this month, crews attended an Area 1.3 Science & Research hazmat class taught by Southern Manatee personnel. Next, now that all personnel have been trained in the social media class taught by Mark Fiedelholz, Esq., Chief Gorski and the

**Training Director continue working with Mark on the draft social media policy. It is anticipated that this will be ready in time for the next directives meeting for review. Next month crews will be cycled through a 4 hour Propane Emergency Training taught at Southern Manatee on grant. Lastly, in March, crews will be cycled multiple trainings at the old MTI building for several types of hands-on trainings.**
