TO: Board of Fire Commissioners
FROM: Chief Brian Gorski
RE: Surplus Fixed Assets for 05/21/2015

Due to the recent purchase of SCBA packs, we need to remove the following fixed assets from our inventory.

Below are the summary totals for the items.

Class/Description	Cost	Net Book Value	Reason
SCBA	\$ 130,080.00	\$ 0.00	Obsolete
Rescue Equip/RIT Kits	\$ 5,250.00	\$ 0.00	Obsolete
Rescue Equip/Fan	\$ 1,052.00	\$ 0.00	Donate
Rescue Equip/E-7	\$ 23,900.38	\$ 0.00	Donate with E-7
Total	\$ 160,282.38	\$ 0.00	

The majority of the Scott Air bottles have reached their life span and cannot be utilized, however, with the Scott Packs (harness, regulator, etc) we are requesting permission to surplus through GovDeals.com with a starting bid of \$200 each. With the Blower Unifire fan, we are requesting permission to donate to MTI Fire Academy. All other items will either be donated to Duette Fire District or placed on GovDeals.com for resale or surplus.

We respectfully request your approval of the surplus of these items.
