Kaliher- Intro to Unified Command All Haz Lt. Kaliher- Emg. Services Trailer Ops & Safety Lt. Kaliher- Intro to Unified Command All Haz Lt. Kaliher- Firefighter Survival/Rescue F/F McKeaver- Chest Trauma Lt. Perry- Intro to Unified Command All Haz Lt. Perry- Emg. Services Trailer Ops & Safety Lt. Perry- Firefighter Survival/Rescue Lt. Thayer- FPL Safety & Awareness

During the month of June crews continue to review newly updated directives, and continue utilizing Target Solutions completing fire related courses for ISO compliance and EMT recertification courses. There were 171 courses completed during this month. Next, crews participated in this year's Annual Firefighter Health & Safety Week by reviewing material on NIOSH's website, and focusing on what is getting Firefighters killed around the country. Also during this week, crews were scheduled to attend a class on the new flash resistant Level-A hazmat suits. Lastly, crews completed a group fitness session and driver's operations training. A worthy note, next month an Inspector from the State Fire Marshal's Office will be coming to Southern Manatee Fire & Rescue to teach a class on boiler systems every Thursday for a total of 6 classes (6 weeks). This class will reward Inspector recertification CEU's and is free of charge.

July's Training Topics:	Target Solutions Fire Related Classes Officer's Training Group Fitness EMT Assessment & Infectious Disease Cntrl Infection Control Plan- BLS Protocol 4 hr Boiler Class (FSFM) Hazmat Medical Training Telestaff Training Apparatus & Trailer Training
