**During the month of July crews continue using Target Solution's classes to work towards their EMT recertification requirements. Also, starting this month the Target Fire Related classes were assigned at the request of the crews, and to ensure better ISO compliance. The State Fire Marshal's Office instructor came in 4 of the 5 Thursdays this month to continue teaching our personnel the 4 hour class on boilers. Again, these classes provide CEU's towards the Inspector recertification requirements and is provided free of charge. Lastly, crews started the training and certification process to pull the hazmat training utilizing the new hazmat truck.**
