

Office of the Chief MEMORANDUM

DATE: January 21, 2016
TO: Board of Fire Commissioners
FROM: Brian Gorski, Fire Chief
RE: **FY2016 Inspector Vehicle Purchase**

RECOMMENDED MOTION(S) OR ACTION(S):

To approve proposed Resolution 2016-02 for the purchase of pick-up trucks for our Inspectors and the funding methodology for these vehicles.

REPORT:

In accordance to our vehicle replacement program, for FY16 it calls for the replacement of four (4) Inspector Vehicles (2004 Envoy's, over 100,000 miles). In the preparation of our FY16 budget, the funds for the replacement of these vehicles was approved and is contained within our FY16 Approved Budget.

During the months of August through November 2015 our apparatus committee had numerous meetings with our Inspectors to determine the most versatile vehicle for their job function. The vehicle selected was the Ford F-150 ½ ton extended cab 4 x 2, specification #47. This vehicle provides the most versatility for our Fire Inspectors. Based on this, the District was able to piggyback onto the State of Florida Cooperative Bid for Fire/Rescue Support Vehicles, State Bid #15-23-0904.

To be constant with previous purchases, the District will purchase these vehicles utilizing the funds that were approved in the FY16 budget "Capital-Vehicle" and a percentage of impact fees.

The District determined that there has been an increase in new development over the past ten (10) years and that such growth has created a need for additional capacity and versatility of a Fire Inspector/Investigator in carrying equipment to conduct inspections and in investigating fires.

Additionally the enhanced capacity and versatility of the Ford F-150 pick-up truck does satisfy the needs created by the new development in the District and based on this the District has determined that an allocation of ten percent (10%) of impact fees towards the purchase of these new vehicles is a proper percentage of impact fees to allocate.

Our attorney, Maggie Mooney-Portale has reviewed and approved this Resolution.

RESOLUTION NO. 2016 – 02

MANATEE COUNTY, FLORIDA

**FY2015 - 2016 FIRE INSPECTOR VEHICLE PURCHASE
FOR THE SOUTHERN MANATEE FIRE & RESCUE DISTRICT**

ADOPTED: January 21, 2016

RESOLUTION 2016 – 02

A RESOLUTION OF THE BOARD OF FIRE COMMISSIONERS OF THE SOUTHERN MANATEE FIRE & RESCUE DISTRICT OF MANATEE COUNTY, FLORIDA, FOR THE PURCHASE OF FIRE INSPECTOR VEHICLES FOR THE SOUTHERN MANATEE FIRE RESCUE DISTRICT AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Southern Manatee Fire & Rescue District (“District”) is a tax supported special purpose district authorized under the provisions of Chapter 189 and 191, Florida Statutes, and Chapter 2000-402, Laws of Florida to levy ad valorem taxes, special assessments and impact fees; and

WHEREAS, the District desires to purchase four (4) new Inspector Vehicles to replace Four (4) Inspector Vehicles (2004 Envoys) in accordance to the District’s Vehicle Replacement Program; and

WHEREAS, pursuant to Florida Statutes 189.053, the District piggybacked on to the State of Florida Cooperative Bid for Fire/Rescue Vehicles, State Bid #15-23-0904, and selected the Ford F-150 made by Ford (hereinafter “F-150”) ; and

WHEREAS, the District will purchase four (4) F-150 vehicles utilizing the funds that were approved in the FY16 budget “Capital-Vehicle account” and a percentage of impact fees; and

WHEREAS, the District determined that there has been a ten percent (10%) increase in new development over the past ten (10) years and that such growth has created a need for capacity and versatility; and

WHEREAS, these F-150 vehicles provide more than double capacity and more versatility compared to the existing Envoy vehicles that presently serve the population within the District; and

WHEREAS, the enhanced capacity and versatility of these F-150 vehicles will be able to satisfy the needs created by the new development within the District; and

WHEREAS, the District has determined that an allocation of ten percent (10%) of impact fee funds towards the purchase of these vehicles is a proper percentage of impact fees to allocate towards the acquisition of these F-150 vehicles as it is commensurate with the enhanced needs created by new development and population growth within the District; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Fire Commissioners, acting as the governing body of the Southern Manatee Fire Rescue District of Manatee County, Florida, in a public meeting, that:

1. The above recitals are true and correct and are incorporated herein fully.
2. The total purchase cost for these four (4) Ford F-150 vehicles is ninety-six thousand four hundred dollars (\$96,400.00) of which eighty-six thousand seven hundred sixty dollars (\$86,760.00) shall be funded through the approved FY16 budget.
3. The remaining nine thousand six hundred forty dollars (\$9,640.00) shall be funded from the District's Impact Fees, which represents ten percent (10%) of the total purchase cost.
4. This Resolution shall take effect January 21, 2016.

2. **YOU MUST send a copy of the original purchase order (including FSA's Contract No. 15-23-0904) submitted to the participating dealer electronically to: COOP@flsheriffs.org**
3. **Basic information required on all purchase orders** is listed in this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. **NOTE:** The agency is responsible for obtaining a "Confirmation of Order" from the respective dealership. Dealers are required to complete a "Confirmation of Order" and send it to the purchaser within fourteen (14) calendar days after receipt of purchase order. Purchasers are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time.

Purchasers are reminded that the issuance of a purchase order does not in itself guarantee the placement of an order.
4. All Cooperative Contracts include an administrative fee of .0075 or three quarters of one percent. The base price and all add options are inclusive of the administrative fee.
 - **POLICE RATED, ADMINISTRATIVE, UTILITY VEHICLES, TRUCKS & VANS** – Dealers ARE to include a three quarters of one percent (.0075) administrative fee in their base bid prices and their quotes and pricing for all additional equipment items (add options), excluding any state regulated fees including tags. The three quarters of one percent (.0075) will be incorporated into and made a part of the total invoice amount and shall not be treated or added as a separate line item. Fees are based on the total invoice cost of the new vehicle or equipment and excluding trade-ins. Trade-ins and other exchanges will not reduce or impact the fee calculation. No Other administrative fee(s) will be applicable to any transaction relative to the contract.
5. In order to ensure quality service for our user agencies, we are requesting that you notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at FLEET@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific dealer. Superscripts will be a number between 1 and 4, and will correspond as follows:

- | | |
|--------------------------|--------------------------|
| 1 = Western zone dealer | 3 = Central zone dealer |
| 2 = Northern zone dealer | 4 = Southern zone dealer |

If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numerical number that applies to their awarded zones. For example, if a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a "2" superscript.

Options are intended to add or delete equipment and/or features from the base vehicle specification, and to allow for an upgrade or downgrade to a manufacturer's model with a slightly different engine size or horsepower, and as such, will not be made available for purchase separate from the base vehicle.

IMPORTANT NOTE: The manufacturers produce limited quantities of certain vehicles and orders are processed on a first come first serve basis and limited by the manufacturing plants capacity during any given model year. **We are advising all agencies to place their orders for police rated vehicles as soon as possible to ensure delivery of product.**
