

To: Retirees Receiving Payments from the Florida Municipal Pension Trust Fund (FMPTF)

From: Jeff Blomeley, Manager of Investment & Retirement Services

Date: April 4, 2019

Re: Account Security

The FMPTF is implementing security measures for access to your benefit information. We will add security questions to your account to ensure no one is accessing your account information other than yourself.

We need your help with this implementation. We will add three security questions to your account so that anyone attempting to make changes or access information on your account will need to know the answers to these questions.

To set up your security questions please call our office. On the call, we will ask you for the answer to the security questions which will be noted in your file. You may speak to your regular contact, or you may call any of the three staff members listed below.

Laura Underhill	850-701-3633
Nicolle Bournival	850-701-3630
Stephanie Forbes	850-701-3661

Please call our office as soon as possible so we can better protect your personal information.

As always, please contact our office by phone at (850) 222-9684 or by email at [FMPTF@flcities.com](mailto:FMPTF@flcities.com) should you have any questions about your retirement benefit.
